Notice

Clearance of Pending Dues

It has come to our attention that several students have not yet paid their complete fees for the Current Semester of the academic session 2024-25 (**List attached**) despite of several reminders. This is a reminder that students with outstanding dues will not be permitted to attend any class and/or to sit for the any examination(s) unless their pending dues are cleared.

Deans/Hods/Coordinators are requested to direct their respective students to clear their pending dues at the earliest and also to ensure no student will be allowed for any class without no-dues receipt.

COE is requested to ensure that no student will be allowed to appear for any examination without no-dues receipt.
